2 days Wedding at Indana Palace - Jodhpur

Review of Indana Palace Jodhpur

★★★★★ Reviewed 1 August 2017 via mobile

We had a royal experience at the Indana palace Jodhpur for our 2 days wedding function. Day 1 was the mehndi/ Sangeet and ring ceremony followed by the wedding reception the next day. The rooms were very comfortable and clean. The service and amenities were great. All rooms were very spacious. The suite gives you a royal experience. The food was great too. The staff was very helpful and cordial. They go out of the way to make your stay comfortable and a memorable one. Very nicely organised with proper coordination with the event organisers. Would love to stay here again. Highly recommended, very close to the airport and located in a highly secured and neat and clean area. A royal experience at a decent price. Keep it up. Special thanks to Mr. Shyam and Mr. Amit and the entire staff of Indana palace for making the most important functions of our lives a memorable one. Cheers.

Perfect place for any destination function

Review of Indana Palace Jodhpur

Good property, with amazing staff at your service. Had celebrated parents 50 wedding anniversary, everything was taken care of right from the word GO. It was a two day event, and all the guests and the relatives appreciated the food as much as the service. There were many elderly guests also for whom wheel chair was also available with the warmth of their staff. Their F&B manager Amit Soni was always just a phone call away. He personally took interest in managing all the things. The executive chef K.C. Verma catered to demands and requests from the oldies to the youngsters equally.

Best Hotel for a destination wedding

Review of Indana Palace Jodhpur

★★★★★ Reviewed 6 November 2017

My sisters wedding took place in this heaven last December. We had booked around 60 rooms for 4 days. The breakfast buffet was marvellous. The lunch and dinner menus were off the mark. Good quality service. Luxury rooms with a royal feel.

I personally have not been to such a hotel before. It is the epitome of glamour and royal touch. The staff was polite. I have no complaints from my side.

Totally worth a visit. More

Superb property, great service levels

Review of Indana Palace Jodhpur
★★★★★ Reviewed 2 weeks ago

This sprawling property is built like a palace - well maintained, with a large courtyard/lawn in the middle. Many of the rooms have balconies. We travelled with friends and took three rooms. Two had balconies facing outside and one was facing the inner courtyard / lawn.

Rooms are large and well furnished. Service levels were great.

The Breakfast options in the restaurant were good. It seems to be a wedding destination and was quite crowded on the first 2 days that we were there. There is a outdoor pool in the back which was quite good.

Transportation was a bit of an issue since the hotel is in the outskirts of the city. Jodhpur does not have a good taxi service. Uber seems to be on the verge of closure. Ola works sometimes but not always - we had issues getting cabs on many occasions. It costs around INR 225 to go to the city.

Overall a great property and highly recommended.

Wedding celebrations

Review of Indana Palace Jodhpur
★★★★★ Reviewed 27 June 2017

I should have written this review more than a year ago, better late than never.

I booked the hotel for daughter's wedding in January 2016 for approx 150 guests staying there for three days. I have to say the whole experience was more than satisfying. The front office manager Rahul, the banquet manager (sorry I am forgetting your name) and Umed Singh in Anghit restaurant deserve a special mention for their tireless efforts in providing to all the requirements of so many guests. They took a lot of stress off my shoulders in ensuring arrangements are better than expected.

The hotel has picturesque lawns and a huge banquet hall. Rooms are well appointed.

Will stay at Indana only on all my trips to Jodhpur.

Review of Indana Palace Jodhpur

I would highly recommend this establishment to any and everyone coming to Jodhpur for personal or Professional reasons. Padam Singh Ji, Dinesh Ji, and entire staff at the check in desk was very courteous and went above and beyond to meet our needs! Shyam Ji(Manager), Umed, Santhosh(Best Bartender) and his entire team made sure that our event was a huge success from beginning to end. All of our guests were happy and comfortable, they loved the food and setting. Everyone of the hotel staff members treated us like family, and the property was extremely clean and comfortable. Breakfast buffet for magnificent. We are definitely staying here when we come back to Jodhpur next time!

Thanks
